Hei tiaki i nga mokopuna

The board fully supports and encourages involvement and inclusion of our tamariki and rangatahi. We have established a small rangatahi ropu made up of young people living on Aotea, or raised on Aotea and/or of Ngati Rehua Ngatiwai ki Aotea descent. Our rangatahi ropu has been instrumental in leading out several successful events and kaupapa and have recently been approached to work closely with Auckland Council Community Development unit to deliver a youth development workshop on Aotea. Several members of the group have developed in confidence and self-esteem and we are very pleased to see their growing confidence. Mem-

bership to the ropu is open to all our children and is easily done by emailing to rangatahi.ropu@ngatirehuangatiwaikiaotea.co.nz

We'd like to congratulate our young people and acknowledge their participation and positive
