

## 20.05.17 CHAIR UPDATE

### Progress report

Tena koutou nga uri o Ngati Rehua

The 2016 AGM held on Saturday the 6<sup>th</sup> May 2017 at Te Kura Kaupapa o Mangere was closed by the independent Chair Mr. Kieran Raftery QC due to the serious unexpected issues primarily caused by large volumes of unidentifiable and unregistered proxies on unofficial proxy forms presented by proxy holders to vote at our Annual General Meeting.

**What happened?** These actions caused administrative havoc and unacceptably delayed our hui from starting on time as advertised. The trustees and I are very disappointed that the official forms for proxies and registrations found on our website were not used by individuals as had they have been we would not have had to spend 4 hours trying to validate unregistered proxies. **Where to from here?** The Trust and our Barrister Mr. Peter Andrew are working with Mr. Kieran Raftery and are organizing a meeting on Monday 22.05.17 with the plaintiffs' lawyer Mr. Richard Harrison to discuss the arrangements for a reconvened AGM.

**Has any hui been held?** No discussions have been held with all parties but we look forward to our hui on Monday and we are aware that there are emails flying around suggesting all manner of innuendo, don't be fooled by the hype. **How will we find out more?** we will bring information to you via our official website and FB page as it is agreed and confirmed. We are very grateful for the ongoing support received from hundreds and hundreds of our registered members who support our Trust to move forward and we want to assure you that we are doing all that we can to call our next AGM. Kia tau te Rangimarie, Nicola MacDonald.
